Second to None

Welcome to a new term of exciting activities for our young people. The Summer Term was a busy one with the usual weekly meetings and also camps. And we hope this one will be just as engaging. Please see your section leaders and take note of their emails and messages for further information. We are also hoping you join us for our annual **AGM and birthday walk and BBQ** where we will be sharing a review of the year and what's to come— **Sunday 25th 2pm.**
